

Green Farm Food

### Evening food

Many of our clients decide to have a selection of festival style evening food for their events, these are dishes that work well on their own, without the need for salads and sides and can be served from our festival style servery. We recommend two dishes plus a side.

We can provide any of our dishes as your evening food, however, popular choices are:

**Hog roast** – Spit roasted, locally sourced whole pig. Stuffed with fresh thyme and apples and cooked on site in our roaster. Served in a selection of Marshalls Bakery fresh bread rolls with homemade sage, apple and onion stuffing and cider brandy apple sauce.

**Gourmet beef burgers** - served with your choice of toppings such as cheese, onions, gherkins and beef tomatoes.

**Competition chicken** - chicken thighs with a classic BBQ rub and glazed with honey and bourbon whisky served in a flatbread with Green Farm hot chilli sauce and salad

**Pork gyros** - served in a flatbread with tzatziki, cucumber, cherry tomato, green leaf salad and Green Farm hot chilli sauce

**Pea and mint falafel wrap** - served in a flatbread with pickled beetroot, red pepper houmous and sweet chilli sauce

**Locally sourced back bacon and pork and honey chipolata sausages** - served in fresh baguette with a selection of sauces and mustards

**We can serve the above with freshly cooked chips or sweet potato fries.**
